

Accounts Starter Solution

from **The Software Solution Shop**

Sage 50 Accounts Training

As the top UK Partner for Sage training you can use your training voucher with us to improve your knowledge of your new accounts software. The voucher will save you hundreds of pounds off classroom and/or workbook training courses. Details of your training options (with which you can use the training voucher) are provided below.

Sage 50 Accounts Workbooks:

Whether you're at home or in the office, you can become a Sage 50 Accounts expert in your own time through 'Read it and Try it' sessions. You'll find interactive Workbooks with CD ROMs (closest in quality to classroom training), internet courses and CD ROMs. All workbooks and internet courses come with **certification** - fantastic for your CV.

The workbooks are split into three stages:-

Stage 1:

Get started with Sage 50 Accounts

Book 1: How to install and set up your Sage 50 Accounts software

Book 2: How to enter your opening balances

Book 3: Starting to enter transactions

Book 4: Housekeeping, error corrections and access rights

Stage 2:

Core functionality of Sage 50 Accounts

Book 1: Credit Control

Book 2: Month End Procedures

Book 3: Reporting, VAT returns and Year End

Book 4: Management Information

Stage 3:

Functionality of Sage 50 Accounts Plus & Professional

Book 1: Setting up stock and dealing with order processing

Book 2: Project costing and invoicing

Book 3: Bill of materials, stock pricing and period end

Book 4: Periodic routines, quotes/pro forma invoices and foreign trader
