

## What is missing off Sage 50 Accounts Professional Online that is on the desktop version

---

### Sage 50 Accounts Professional Online 2009 does not yet offer:

---

- ❖ No integration with Sage Products
- ❖ No multi company facility
- ❖ No access rights
- ❖ No MS Office integration including email
- ❖ No Excel Integrated reporting
- ❖ No Transactional email
- ❖ No Phone dialer
- ❖ No Product record weblinks
- ❖ No User preferences e.g. no user defined search criteria
- ❖ Accountant Link functionality (although as the accountant can log on remotely this is superseded)
